

THE RARE COLLECTION

PINK BOURBON

Finca Villa Betulia, Huila, Colombia

Altitude: 1800-2000 m

Process: Honey | Sun-dried on African beds

Notes of chocolate, silky texture, orange,
sweet caramel

A rare pink cherry mutation of Bourbon,
grown in Huila's volcanic soils. Honey
processing enhances its natural sweetness,
creating an exceptionally smooth and
complex cup.

*Limited harvest - crafted for collectors of
elegance*
